TOM DESTAING

STUDENT IN ADVANCED
SOUND AND PICTURES
TECHNIQUES

BIOGRAPHY

I am a curious and energetic 21 years old student currently preparing a Degree in Advanced Sound and Pictures Techniques. Confirmed user of the Adobe suite, the creation and uses of audiovisual and graphic content are my main interests. The field of writing and Community Management are also courses that I would like to explore if the opportunity were to arise.

EXPERIENCE

• REDACTIONAL CONTENT CREATOR

Millenium.org | January 17 - March 17

I've made an internship at Millenium as a Polyvalent Redactor. I was charged to find and gather informations in order to create articles which would next be posted on the website.

• WEBSITE CREATOR

I've created and uploaded several websites based on Wordpress for personal and professional purposes

EDUCATION

• BACCALAURÉAT

Lycée des Haberges of Vesoul | 2014

Diplomed of a Baccalauréat in Economic and Social Sciences

• STUDENT IN MMI

University of Bourgogne | 2015 - Today

Diplomed of a DUT in Multimedia and Internet ressources

• STUDENT IN TAIS

University of Chalon-sur-Saone | 2017 - 2018

Currently studying for a third year in Advanced Sounds and Images Techniques.

LANGUAGES

I've got an excellent level in English thanks to the time spent on the internet and I learned Spanish during my Middle School
